

# GEAR UP. PLAY LEGENDARY.

Basketball isn't just a sport, it's a lifestyle. Every pass, every shot, every point writes history. Legends aren't born they are made on the field.

At Legend Sportswear we create basketball apparel that delivers performance, precision and style. Designed for speed, engineered for endurance, built for those who play with heart.

From the pros to the local court, from tip off to the final whistle, this is Basketball redefined.
