

GEAR UP. PLAY LEGENDARY.

Netball isn't just a sport, it's a legacy. Every pass, every shot, every goal writes history. Legends aren't born they are made on the field.

At Legend Sportswear we create Netball apparel that delivers performance, precision and style. Designed for speed, engineered for endurance, built for those who play with heart.

From the pros to the local Netball court, from the first pass to the final whistle, this is Netball redefined.

YOUR GAME. YOUR KIT. YOUR LEGACY.
